THE PROGRAMME

Co-funded by the
Erasmus+ Programme
of the European Union

What is Diversity Youth Manager Project?

Diversity Youth Manager Project is co-founded by the Erasmus+ Programme of the European Union, under the KA2 Strategic Partnerships in the field of education and training action for cooperation for innovation and the exchange of good practices.

The Project will be implemented with 4 partners from 4 countries: United Kingdom, Romania, Italy, and Spain. The project will develop Diversity Youth workers to be able to empower the disadvantaged young people to take charge of their own life.

Diversity Youth Worker will have all the skills to facilitate innovative youth work and use technology and digital skills to enhance the offer and programs. Digital Enterprise Facilitator will be able to guide the young people into adulthood with enterprise and digital skills for integration into the labour market.

Who is this course for?

This course was created taking into consideration the needs of young people in today's society and has the objective to provide Youth workers, trainers, and mentors who are active in the field of youth with the necessary skills and soft skills to better guide young people, especially those from disadvantaged backgrounds.
